“ *Doug, you will be missed so much. You loved your family. One of your yearly purposes were leaving flags on the graves of our loves ones that had served our country. Whether it was a three hour drive, you never forgot. When a family member passed away you were always there to give comfort. There are so many memories. These will never be forgotten.*

To the family we want you to know we are sending prayers, love and caring thoughts to you. We are thinking of you during this difficult time. Sent with love and remembrance. God bless you all.
