“ Nancy and family: We were so saddened to learn of the passing of our longtime friend and union brother, Wayne. What a wonderful partner to have known and worked with. He helped so many of his fellowmen in so many ways, assisting them to provide for their families' needs. He truly cared about others and how they were treated. I am so thankful that he was able to join some of his union brothers for a Braves' game last year and enjoy the company of those with whom he/we had shared so many past good times. R.I.P., my brother. You definitely earned a special place in our hearts and memory and in heaven!
