“ Our hearts are so sad now because of losing a "super friend". He was loved by all of our Family and we considered him a part of it. He always had something funny and crazy to say to us when he called and some of the messages he would leave were hilarious. So many good times when he worked with us at our Company and then they continued throughout our lives until the end. Jimmie will miss him so much because they had a way between them when they talked that was so special and always teasing each other about something. We will miss the phone calls, visits and just knowing he is still with us in some way. Guess he and Tommy Crowe are now talking "dirt" and where it should be moved to and how. We are sure Roy had no idea that he would soon be with Tommy when he passed away. We loved all of our employees and will miss them so much. Roy, we love you and hope now you are at peace and don't have to worry about anything. We will always remember you and miss you so much. Your Family should feel fortunate that they had you in their lives because we know how much you cared for them by telling us many times your love for them. Till we meet later and celebrate together. Our love, Millie and Jimmie Mabry##imported-begin##Millie and Jimmie Mabry##imported-end##
