“ I have known Rev. Fred, and his sweet wife Joan, since they came to Lawrenceville and Chestnut Grove Church many years ago. They came to us at Dove Clinic as patients then quickly became friends which continued over the years. When my husband, Dr. Dove, developed health issues, Rev. Fred was frequently a visitor at the hospital for prayers and support..... Dr. Dove died in 2016---- Rev. Fred has continued to be a blessing to me. Love and Prayers to the family during this time... He will be missed.
