“ Gloria,
I fondly remember all the times you and "Pa" spent with me and others. P Willie will never be forgotten. I wish you and the family all the best and hope that "Pa" is now in a much better place.

“Gloria, my condolences and prayers are with you and the family. I remember fondly the tennis matches at Vanderbilt on Thursday nights, and you and Pat would be there. Pwillie was like a fixture at Nissan in the early days. He was one of those that you just expected to be there, and quite passionate about his work. I remember many times the explicative's from across the room when something didn't go quite right like a JOB going down. I even think a fair share of those explicative's were directed at me. He was crusty but also very kind and gentle. I will always have fond memories of you and Pwillie. I will miss him!

“Being a big University of Tennessee football fan growing up, I was amazed when Pat told me that he and Glora had not missed a UT home game in like 15 years. I was ashamed as a local Tennessean as I usually only made it to 1 or 2 games a year and here they were travelling from Detroit and parts beyond just to take in a good ole VOLS game at Rocky Top. Of course, I can also thank Pat and Gloria too for the one long ride home one year in their van from Knoxville when I somehow lost my ride home (can't imagine how that happened). I had a great time working and "playing" with Pat and am so glad that he was able to retire and enjoy his family and other activities during a long retirement. And, our prayers go out to his entire family.

“ We worked with Pat at Nissan as the plant was starting up. Never forget Pat and Gloria's love for Tennessee football. Pat even had an orange stripe painted on his first lease vehicle which did not make the Nissan lease car folks too happy. Also remember Pat's love for playing golf and his big straw hat. There are some funny Japan stories that make me laugh but will keep them to myself. Gloria, we pray you are doing okay and have fond memories of visiting with you both as well as getting together after work with other Nissan folks. Blessings to your family!
