“ Dear Zita,
I am so sorry I was not here for you when Fred passed away. I did not get into town until today at 1:30. I know Fred won't need our prayers now as he is with the Lord. My prayers will be for you that you are not saddened for too long.

I love you and will be here for you. Call me when you are ready for tea. You will need a friend later on when on the hustle and bustle is over.

Love,

“ Mrs. Aranas,
*I don't know if you remember me or not, it's been so many years, but I worked in the Admissions Office at Southwestern State Hospital, in Thomasville.
At that time, I was "Darlene Stephenson", and married to Lamar Stephenson, who also worked at the hospital.
Beverly Maddox and I worked 3-11 shift for several years with Dr. Aranas, and it was such a pleasure to know him and you. I went on to become an RN, working on the Infirmary, and got to see Dr. Aranas from time-to-time, still.
He always had a smile, a kind remark, and a good sense of humor, even under the worse circumstances, in our hectic job.
Please know you have my condolences and my deepest sympathy, at this time. You and your family will be in my thoughts and prayers.
May God Bless You All!!

“ I am so sorry to hear about Dr. Aranas. I happen to see it in the paper this morning. I was a classmate of Lucia's at Central in Thomasville. When I pass by your old house on Summerhill Road I always think of you all. I am thinking of your family and will remember you in my prayers.
