“ One of the most beautiful memories of the man I love , Is the day I met him over 45yrs ago. He was so kind ,so sweet and thoughtful, but so nervous when he sat next to me on our lunch break. I could feel his legs shaking, when he asked me out on a date for the first time. We climed stone Mountain, went off the trail sat and talked for hours . From that day I knew he was my forever person ❤️
