“ *To the family of Duncan, I am so sorry for your loss . I thought about what I could say about Duncan today . You know we were brought up in a time of preachers with hell fire and brimstone. I sort of felt that way about his personality even when his daughter was in pain with spider bite he was more excited about her getting taken care o.f. It was the time in which they lived, my dad was pretty much the same. I know he is with Jesus now and he is finally at peace and when it is our time to meet again he will truly be a new creation. So be at peace and celebrate my loved ones. Edith you and yours I truly love and if you need me all you have to do islet me know I am here always. With love always Colita##imported-begin##colita cowell##imported-end##*

“ I remember nights on my grandma's front porch, surrounded by my family, eating ice cream, fried chicken and snapping green beans. Uncle you will be missed but i know we will see each other again soon. 'And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away.'
