“ *She shined the love of Jesus. She was the most beautiful woman in my eyes because her actions spoke louder than words. She lived what she preached. She meant what she said and gave the sweetest, warmest hugs this side of Heaven. Mrs Linda will be terribly missed by her precious family and my heart aches for them. She LOVED her family more than herself and demonstrated that she was a Proverbs 31 lady. It's been years since I've seen her. Circumstances of life. But I will never forget the moments I had with her and how she made everyone around her feel important and loved. May God comfort your hearts. Heaven sure just got sweeter and I can just imagine her up there loving on everyone after she's loved on her Jesus! Precious godly woman has left an incredible legacy and a life well lived and full.*
