“ Maw Maw will forever be the greatest example of love, grace and kindness in my life. I think about you every day Maw Maw. I always have. I know that you know that and always did know that. I am sorry that I could not attend your funeral service. Your death was too hard on me and I could not bring myself to see you deceased. I blamed it on work, but it was me. I hope you are watching over us...like you always did. I hope to see you soon..someday..in heaven. I will always remember every phone call, visit, laugh, lotto card and cigarette we shared. You will never cease to be my favorite person in life. You make me go on when I dont feel like it. I keep on...keeping on for you. I am so glad that you were in my life. I am so glad I got to say good bye several times and make you laugh. I know you were scared, but you never needed to be. I will never forget you or get over you leaving us. However, if there is any truth...any true love from God....your seat in Heaven must be a comfortable one. I love you so much. Thank you for always being there whenever...forever. I think that you were my best friend. I hope I was your best friend. Love~ Your First Grandson~ Chase Schell###imported-begin##Chase Schell###imported-end##

“*Earline was always a second mother to me. I am so very grateful for always being a part of the Schell family. I am so happy I was able to see her a couple of weeks ago when we were in Atlanta. What an amazing woman. I will always love you Earline.##imported-begin##Vicki Lawrence Fleming##imported-end##*
