“ *I worked with Ed a little over 2 years ago and he was always such a tremendous help with my trying to learn the roofing business. He was just a big kid at heart; he was always telling me jokes and making me laugh at his outrageous humor. Please know that he's watching over you and making sure you and your family are still living life to the fullest.*##imported-begin##*Angela Magill*##imported-end##

“ *Dear Gail and family,  
Please accept our sympathy at the loss of Ed. I had the privilege of getting to know Ed as his customer for the better part of 20 years. He knew his business, always provided quality work, always went the extra mile and, above all, was always a gentleman. I considered him my friend. You are in our thoughts and prayers at this difficult time.*##imported-begin##*Mark Skillan*##imported-end##

“ To the family, it is with deepest sympathy that I wish to express my condolences. I am sure that such a loving husband, father, and grandfather will be sorely missed. As your family prepares to move forward, it is my hope that you find a measure of comfort and peace from the promises in God's Word, the Bible.

2 Corinthian 1:3,4-Blessed be the God and Father of our Lord Jesus Christ, the Father of tender mercies and the God of all comfort, who comforts us in all our tribulation, what we may be able to comfort those in any sort of tribulation through the comfort with which we ourselves are being comforted by God. -New World Translation.  
Take care.

“ I am so sorry for your loss. Just think if Adam and Eve would not have sinned, we would not be suffering sickness, death, nor the many problems that we are surrounded by. Jesus promised the resurrection hope in John 5:28,29. Yes he promised that millions now dead will live again here on earth, and have the prospect of remaining under peaceful paradisaic conditions. (Psalms 37:10,11,29). What a wonderful hope to look forward to.##imported-begin##FH##imported-end##
