“ *I remember when Eddie would work on rebuilding his family dock (boardwalk) on the St Johns River in Jacksonville, at their home in Granada section of South Jacksonville. In our younger days, he was a good and faithful friend.*

“ *Ed and I worked together at USAA and shared a lot of time in the pool drinking beer and telling lies. He was a good tennis player and took joy in running my ass from side to side. I was instrumental in his early retirement. We both had found the new director Kasey intolerable and I informed him that age 55 was the early retirement age. He was a good man.*

“ Ed was truly one of a kind. He could light up a room simply by walking in. His smile was infectious and his kind heart inspiring. Oh how I loved sparing with him....never did figure out who won. He was a good friend and loved by all who met him. I will miss him greatly.

My thoughts and prayers are with Lisa and the entire family.

“ Lisa, lifting you up in prayer. So sorry about Ed. I wish I had gotten to know him better because the few times I got to talk to him, he cracked me up. One day when you need a funny story to cheer you up, I'd love to tell you something funny he said to me. You just couldn't help but like the man! So sorry I can't be at visitation or the funeral but please know I am with you in spirit. Big hugs to you.
