“ *Edith was the first person I met when moving to the Atlanta, GA area and we became fast friends in that I found a stitching friend forever. We traveled to seminars, worked together in EGA and the Magnolia Sampler Guild. She was a bright spot in everyone's life and I will treasure knowing this great lady for the rest of my days. God Bless all the family at this very sad time. Norma Flake (Boise, ID)*

“ *Frank and Family*

It was sad news to hear that Ms. Benson had passed but she has gone to a better place. I remember the family from my former residence in Tracy Valley. Remember, that God will see you through this if you just ask. I will keep the family in my prayers. Remember, God loves you.

“ *Edith was a wonderful, caring friend. We shared many interests and had a great time pursuing those interests together. We loved family history, embroidery of all kinds, gardening and native plants, and decorating for each holiday...oh, and of course, shopping. I will miss her sense of humor, her bright smile and her deep kindness. We lost a light here on earth, but we gained a bright star in the heavens.*
Blessings on the wind, my dear, dear friend.

“ I was in a stitching group with Edith. She loved to stitch and even had a piece in our exhibit earlier this year. Edith was a very good stitcher and contributed a lot to our group. When she was attending regularly, she was famous for winning door prizes. We loved Edith a lot and will miss her.
