“ *Dearest Mike and Jane, Miss Edith was a joy, a wise lady, (she didn't miss a trick!) a true lady until the end. She adored her family more than anything. I feel blessed to have had my life graced with her presence for the short time that it was. I know that you find comfort in knowing that she is in the place that we all pray for and dream about. It's not good-bye, it's so long until we all meet again. God bless all of you. Love, Kathi*

“ *Mike and Steve, your family were wonderful next door neighbors while I was growing up. I remember your mother snapping green beans one day and I helped her. She taught me how good it was to sneak a bean or two while we were working! Please know that all of your family are in my thoughts.*
