One of my favorite stories of Edie is one of the “rocks” she collected. My grand daughter found a rock behind a shelf, we couldn’t figure out what kind it was but we eventually figured out it was a petrified biscuit Cookie must have hidden! She was horrified, lol

Edie was my brat little sister when she was young, but turned to best friend to me and my children. She was special in so many ways to so many people. When you get to heaven give mom, dad, Gary and Jim hugs from all of us. We love and miss you
