*I 'am so sorry for your loss. I know how you feel. my dad's funeral was Sunday. I also know the circumstances that you have been thru. Remember people make their own choices and that you did all that you could so you should not feel bad about anything. I am here to talk to if you need anything. I love you girls very much and just remember that the if you put this in the hands of God he will get us thru the tough days ahead. you have a wonderful mother and she will do all she can to help you get thru this.*
