“ *Ed, I always loved how fun you were and kidding around with me and how you looked out for me like a big brother it meant the world to me. I will never forget you. RIP Love you always Jennifer Young (Peas and carrots)*

“ *Ed, you were a wonderful dad and a good friend. You loved to fish more than anyone I've ever known. You could find a pond, a lake, an ocean- even a stream - no matter where you went, catching something nearly every time! Be happy, my friend., and enjoy the fishing in heaven, too! With love, Debi*
