“ *Dear Daddy,*

I miss you more than any words can ever say. You were the one there every week when we came to dance and were calling us to check on how many signs we put out. I miss your calls, I miss your laugh, I miss your "yellow rock" hugs...

You have been there for me whenever I needed you and now I am kinda lost when I have a question and there is no one to answer it. Nothing is the same since you have gone away. There was so much left to do and I know it is really hard on Mama. Steve and I will do whatever we can to help her. I know that you are looking down on all of us - please keep a watchful eye on Mama as I know you will. We could not have asked for a better Daddy and I will miss you lots until I see you again.

I love you! Angie##imported-begin##Angie Sigman-Holzhausen##imported-end##

“ *Mr. Howard,*

I wish you had not gone so soon. I already miss you shaking my hand when we first see each other and when we say, Good-bye. Also, you telling me to watch out for deer on the way home. I will miss our “How to” talks and the conversations next to the ice cream maker during the summer time.

But I know you are where you are able to look down on your family with pride. You were such a wonderful, hard working, family man, to the point; you were my “Hero”. In my life you are one of the few people that respect and sought out to be like. I pray to live up to every expectation that you had for my family and me. You are the best father-in-law, father, “Paw-Paw”, and friend that anyone could ever ask for.

Please help watch over Lori, Bryson, and Brayden because you were their “Hero”, too.

*Rest in Loving Peace,
Bodie###imported-begin##Bodie A. Dickerson###imported-end##*
