“ Ed was a long time friend. We both shared our memories at hog mtn Baptist church. He and Kathleen were always coming in with a smile. I will miss calling him every January on his birthday and him calling me on my birthday which was only two days apart. I love all the children. Kathy and I were closer as her son and my granddaughter were in school together. My prayers are with all now and later as you live without both parents who raised good children. Stay close and continue to love the Lord as you were taught. Love you all

“ Me. Ed was always smiling and he indeed love his family and the farm. I spent a lot of hours with he and Ms. Kathleen on the side porch talking and laughing. He was a good friend and did a great job of raising three good kids that I call my friends. God wrap his arms around all of you for comfort but Ed lived a full life. He was very well taken care of.
