“ *My condolences to Gaye's family.
I wish I could come and pay my respects to Gaye, but unfortunately,
my health will not allow me to at this time.
I have prepared Gaye's taxes for the past 20-25 years. It was
always a pleasure. We used to talk and laugh every time. She
always gave me a sense of family. The last few years Gaye and
Patsy would come to my home. I enjoyed and welcomed them each
time. I will miss their company and especially their friendship. I will
miss her sorely.
Vera, I will never forget you, either.##imported-begin##Linda
