“ *I met Elaina while working at Ecklers in Athens Ga. with Gary. She always had a smile on her face and we were quick to become fast friends! She was a hard worker, always helping Gary cut the grass at Ecklers, and I remember thinking, I wish I had half of her energy! When the Ecklers in Athens closed I was sad I wouldn't see my friend anymore, but we always kept up on Facebook, and I was always laughing at her comments! I sure will her glowing spirt so full of life! My condolences to her family!!!*

“ *It's so unnatural to think of Elaina with sadness. Just thinking of her or hearing her name makes you smile or even laugh a little at the last funny thing she said. I will miss laughing with her most of all. She takes a piece of my heart with her on her journey.*
