“ *I am shocked and broken hearted learning of Elaine's sudden passing. We starting working together when we were 18yrs old and immediately became life-long friends. She was so kind and loving and light hearted. Even when she moved to Georgia so many years ago, we remained good friends. I'll miss you so much, and all of our life stories we shared and our fun, long conversations. You are such a beautiful person and one of my best friends. Rest In Peace my dear friend until we meet again. May eternal rest shine upon you and may your heavenly love shine on all who loved you so much, especially Lauren and your sweet babies. I love you. “ It's been a week since I heard you passed. I'm still trying to process the shock. Elaine was my older sister. We were separated by 3 years. Even though we didn't live close we made sure we spoke weekly and texted during the week. We shared a lot of common traits like our love of the mountains. I still wish you had moved up here long ago. I found out that I was lucky enough to be the last one that she spoke to. It was our normal weekly call of checking in with each other, and catching up on the prior week. She was in good spirits said she was doing fine and we laughed and talked like normal. Little did I know that was going to be the last time on earth I got to speak to her. I know you are in heaven Elaine and couldn't be in a better place. I hope you have reunited with Mom & Dad and all our relatives and animals that passed before us. I sure will miss you, but know that you are looking down on all of us. With Love Always, Doris

“ I had the pleasure of working with Elaine during my years at the GA League. We had the best conversations about life and work. She was my go-to person for all things card related and I was hers. We hadn't spoken in years and I asked about her today. I was so saddened to hear of her passing. My sincere condolences to the family. Job well done, Elaine. Rest well.

“ Elaine and I shared a bedroom growing up, so as her sister I have wonderful memories of us together. Elaine was always happy and would never say anything negative about anyone. She never complained. Since she retired we spent many hours talking on the phone. I will miss all those conversations. Elaine will be greatly missed by me and her other two sisters. We will always keep her in our hearts.

“ Met Elaine almost 50 yrs ago through marriage of her sister to my brother. She shared the same birthday as my mother and some of the same sweet endearing qualities. Elaine was always happy, upbeat , sweet and kind to others. Lost touch with her when she moved to Georgia, but reconnected a week before she passed. We talked for quite awhile, laughed and promised to stay in touch. So glad I made that call as that will be the last time I hear her voice. Life is short, so we need to reach out to those people we are thinking about and not wait! May God Bless you Elaine!

“ Elaine was always so willing to help with our Girl Scout troop. We had so much fun working together to make our little meetings fun for everyone. I never asked without her being one of the ones to give more than was needed. She was always there for us.
