“ I am so very sorry for the loss of your Mother, she was a loving caring person that will be missed by everyone that knew her. The world is a sadder place without her. I am grateful that she was my aunt and that I was able to know and love her. I am grateful that my daughter and I were able to visit her recently. She stated during our visit that she was looking forward to her 93rd. birthday in November. I guess we all want one more, it was not meant to be. Once again sorry for the loss of your Mother, our thoughts and prayers are with you during this time.
