“ *Losing a child is a pain; So high, you can't get over it. So low, you can't get under it. So wide you can't get around it. You must go through that door. Keep the faith my friend, I know you two will meet again. Losing someone young is never expected and very difficult to accept. I am really sorry for your loss. At times like these spend time with your loved ones and take it easy on yourself. It is going to be a very bumpy road. I am sorry for your loss. May all the love that surrounds you give you strength. All those sleeping in their graves will wake up and sing for joy. As the sparkling dew refreshes the earth, so the Lord will revive those who have long been dead."-Isa. 26:19.##imported-begin##Magallon Family##imported-end##*

“ *I don't know either of you but my heart goes out to you. There is no loss like that of a child. No one should know the kind of pain and suffering it brings.##imported-begin##Lori##imported-end##*
