“ Lizzy was loved by so many. She worked for Gwinnett County Schools, worked with High School special needs students who loved her dearly along with her friends/teachers and parents. They had an unbelievable team that worked with these students, that I had the honor to be present an observe. She did what she loved. Mother of two, James and Michael, the best Mom ever and Grammy as Wilkes so proudly called her. My sister Lizzy could make you laugh so hard even during her cancer treatments always making light of it, she was my hero. Lizzy I love you and miss you every moment.
