“ Dear Bill, Alex, Phil, Mary, Robbie, Kaye & Jack ~ I was so saddened to hear about Beth. What a loss to your family and ours. I have so many wonderful memories of her but the one that I find myself thinking about the most was when she, Lynn and I made all those tasty mud pies in Gangie's back yard. We were the neighborhood chef's...or so we thought! I'm so glad that we were able to meet up again last Fall in Florida, at Elliott's wedding. It had been years since I had seen her but she proved to be the same Beth that we all love & admire. Her gentle ways and beautiful smile were still there. We praise God that we had the privilege to know her and we thank her for being such a "true", life long friend to our Lynn. She will be missed.

“ Beth and my Sister, Lynn, have been friends since they were babies in Miami, Florida. Beth has been a "best friend" to Lynn, and vice versa. Beth and Lynn joined up with me and my soccer team for a tour of southern England in 1977. One weekend we took a flight to my place of birth in Yorkshire. We all went to the social night at the cricket club that I played for in my youth. Somehow, Beth was introduced as my wife and my Sister Lynn was our daughter. Over the years when we have seen each other we have always had a good laugh over that introduction at the cricket club. Beth will be greatly missed. Our condolences to Bill, Alex and her parents Mary and Phil.

“ I was so sad to hear about Beth. I knew her from Curves. She was always so friendly and had become a friend. She had e-mailed me recently before my daughter had surgery with words of encouragement. She told me of a geese formation she had seen after her car accident. She said it reminded her that God is so amazing to create creatures that could know how to make the perfect V formation and that he is in control and is watching over us. I pray that God will comfort your family during this difficult time. Beth will be greatly missed.##imported-begin##Cindy Bolton##imported-end##

“ Beth gave me an opportunity to give something back to our Savior and Hebron. It was and is a small way to serve, but I receive such a blessing in the hopes that I've made another person's day a little brighter. Beth understood how much this service meant to me because I had been praying for something that I could do without having to leave home. We never had the opportunity to meet in person, but through our 'phones and e-mails we came to know each other and for this my life has been blessed greatly. Thank you Beth. I'll never forget you.##imported-begin##Rita Stripling##imported-end##
