“ My sincere condolences to the family on your loss. Like so many others I first met Candy in L&D at NSH, but that was only the beginning of our sharing great times together. I still laugh when I remember our birding trips - Candy was a wonderful friend and will continue to live on in my memories, as I am sure she will in yours.##imported-begin##Gay Hasty##imported-end##

“ My thoughts and prayers are with Candy and her family. I met Candy as a new nurse in Labor & Delivery at NSH. She taught me the role of the operating room nurse, which has stayed with me throughout my nursing career.##imported-begin##Cathy Stubsten##imported-end##

“ I also was very saddened to hear about Candy's passing. I worked with her in Labor and Delivery @ NSH for many years and she was actually my nurse in the operating room when I had surgery several years ago. She took very good care of me that day. I will keep Candy and her family in my prayers.##imported-begin##Lisa Broe##imported-end##

“ I just want to express how saddened I was to hear of Candy's death. I worked with her for many years at Northside Hospital in Atlanta, Labor and Delivery. Although we had lost touch since she left NSH, I have fond memories of Candy, she was a smart lady, and had such a passion for nursing. I trust she is at peace.##imported-begin##Betsy Edmondson##imported-end##
