“ I am so very, very sorry to learn of Liz's passing. She was a very dear friend of mine even though we had not seen each other for many years. I work at Shorter University in Rome and when Liz worked at GSFC, she and I became friends. We got to be very close when my father was ill and she too was going through so much personal illness even back then. Although I will miss my annual Mother's Day Card from her and her encouraging words, I take peace in knowing that she is now sitting at the feet of Jesus and she is completely healed. Heaven was already sweet and special to me, but is even more so now. I pray that God will bless your family and give you ALL peace in the days ahead.##imported-begin##Marcia Slade##imported-end##
