“ Sending our condolences on behalf of the Shults family for the loss of Liz...she was a great friend to my mom, Carrie Shults and is very missed by her! Every time my mom went into the hospital or to rehab -Liz came to visit with her. I'm just sorry that I was unaware of Liz's condition to be able to bring mom to see her! Your family is in our thoughts and prayers! Love you Pam & Vickie!!!##imported-begin##Pam Pugliese (formerly Shults)##imported-end##

“ Sorry to read about the passing of a dear and long time childhood friend. We were raised as next door neighbors and I have many wonderful memories of spending time in the Tatum home. She certainly followed in her mother's footsteps- a loving friend always doing something nice for family and friends.

My thoughts and prayers are with the family.##imported-begin##Lavelle Denney Barnes##imported-end##

“ *I want to send Liz's family my condolences and regrets for your loss. Liz was a huge influence on my life and my early work with GA State employment. I don't believe that I would be where I am today if it were not for her help and encouragement. Liz was supportive to me in the loss of both of my parents, and often said that she helped raise me... which is probably true. I will always remember our many years of time together at the CTC with a real fondness. So much of what happened in those years really formed who I am today. I appreciate all that Liz did for me and those around me to be a positive influence during those years.*

May God bless.

Take care,
