“ *I am sorry for the lost. Amanda was an angel. I will most defenatly miss her dearly. But, I have the great memories left behind to remember her by. I will miss seeing her face light up and hearing her say "Tony look what she done bought again" when i spoil the boys, or seeing that smile when tigerboy brings her what he's made in sunday school. She always was the life of the church. There never was a dull moment around her. She was so precious always wanted to do something for someone or work in the church, she never was selfish she always thought of others before she thought of herself. But, I will keep the memory of her going always. I will also do all i can to help with my 2 babies I know she would want me to help and do whatever I could for them. Even though 1st Sunday is coming up i know she wont be missing the dinner afterwards, because i know she is probably up there trying to sneak a piece of food off the table for the married supper :) But, Tony if I could ever do anything for you, you know I will be there in a flash literally. I thank God for putting Amanda in my life she was a blessing, my secret sister....But, until then I will see you when it's my turn...P.s. daddy got glasses so you make sure you laugh loud enough for him to hear you....##imported-begin##LAURA CARTER##imported-end##*

“ We are so very sorry for your lost. There are no words that can help you in this time of need. The only thing you can take comfort in is that God promised us a place in his kingdom and one day we will be blessed to see all who have gone home before us, so it is not good bye only see you later. God blessed you with two sons take joy and comfort in them . Amanda will watch over you all from heaven. If you need anything please call . “ God makes no mistakes. I know that as hard as it is to lose Amanda, God will be glorified. She will be missed dearly but I can't help but be jealous of her right now. She is walking the streets of gold with our Savior. She has seen the family members that we have lost before. She is holding her son that she never got to be a mother to. I am praying for Tony and the boys as they get through this. Love, Hope (Tony's cousin)###imported-begin##Hope
