“ You are truly a remarkable lady, a wonderful mother and grandmother. As each of your children took spouses, you embraced us into your heart as your own and we are truly blessed. We are so saddened and heartbroken that you had to leave us now, but we take peace in knowing that you are once again with your loving husband and our beloved dad. We will all be together again one day. We love you.##imported-begin##Larry, Shirley, Tammy, David and Chris##imported-end##

“ Though it was not your job, when I was sick you cared for me, when I was cold you gave me warmth,  
When I needed shelter you put a roof over my head.  
Yet the only thing I could give you was a place in my heart. Now though thousands of miles away there is an emptiness where you once where.  
Thank you for believing and caring I know you did because you didn't have to.

*I made because you did.*

*Love always*

“ My family wishes you all the best in your time of sorrow. We should all be judged by the way our children turn out in life. If that is the case, Ellene should have the chair that sits next to God. May you all be at peace with her passing and know that she has been reunited with her husband once again.##imported-begin##Gary Burpee##imported-end##
