“ Sorry to learn about the death of Elvin Waldrop. This must have been a difficult time for all. Therefore, I am forwarding scripture that will comfort you. Psalms 90:10 says that the usual human life span is 70 or 80 years. This was true when Moses wrote it but not so from the beginning. (compare Genesis 5:3-32.) Hebrews 9:27 says...It is reserved for men to die once for all time. This, too, was true when it was written but not the case before God passed judgment on sinful Adam.##imported-begin##J Nunnally##imported-end##
