“ *I will share my memory of my fav cousin as a fun loving little southern gal with a broad smile and a squinted eye. We shared numerous hours on the phone thru the years. She truly loves (always) her family. Will miss terribly. God Bless all*

I just heard this news of her passing. Although Elyse and I had not had contact for many years, I will always remember her as my best teenage friend. We rode the bus together to school, spent the night at each others house, and shared many secrets and fun times! The world has lost a wonderful individual. I wish peace to her family. In heaven there is one angel more.
