“ *I am so sorry for your painful loss. The loss of a newborn is so painful. I dont know exactly how you feel, but I have been there. I lost my baby boy 38 minutes after birth. I showed anger toward God and many others. Then I realized much later that If it wasn't for the God of love, I would have never had the strength to cope. I came to a realization that it took much PRAYING and lots of TIME to heal the wound of emptiness. 16 yrs later, the hurt is minute. Just a lot of wondering of what he would be like or doing if he was alive. I also have hope in the promises of the Bible. Isaiah 33:24, and 25:8, tell us that the God of Love will bring an end to sickness and death. Jesus Christ while here on earth spoke about the resurrection hope in John 5:28,29. That means that you and I both will have the opportunity to see our newborns again. Oh what a wonderful time that will be. What will conditions be like here on earth when they are resurrected? Please read Psalms 37:10,11,29, and 72:7,8. and remember this, Psalms 34:18, Jehovah is near to those that are broken at heart And those who are crushed in spirit he saves. (Psalms 83:18) I hope that this entry will give you and your loved ones some comfort and assured hope. For further comfort please contact the e-mail address above or the local Kingdom Hall of Jehovah's Witnesses.##imported-begin##FH##imported-end##*

“ Beth, Scott, Russell and all of the Bryson and Brown family, I am broken-hearted for you. Since the day I heard, I have had some very Godly women praying for you. In times where there are no words, it is hard to express what we cannot begin to understand. I am so glad that you have a faith that can comfort you, in time, when nothing else will. Today you are bathed in prayer and will be for many weeks to come. Please let me know if we can do anything at all to help you through this. You were always special little girl to me.##imported-begin##Lee Ann Wisham##imported-end##

“ Dear Scott, Beth, and Russell:

I am very sorry for the loss of your precious baby girl. It is hard to understand God's ways and his reasoning. But I hope that with time he will fill your hearts with peace instead of pain. You are in my and Andrew's thoughts and prayers.

Sincerely,

April Hart Sawhill (Amy's twin sister)##imported-begin##April Hart Sawhill##imported-end##

“ *Words seem inadequate to express the sadness we feel about Emily's death. May you be comforted knowing that there are many friends and family members who are there to hold your hand, listen to you if you need to talk, to cry with you and to love you as you grieve. You and your family are in our prayers. May God give you all Peace, Strength and Much Comfort.
We love you!
