“ *To the Family of Ms. Covington I extend my sympathy. I came to know Ms. Covington some years ago when she attended the Lawrenceville Senior Center. She was a very special lady and always greeted me with a smile. May God continue to bless you.##imported-begin##Ann Vines##imported-end##*

“ Emma worked for us for 10 years, from 1983 - 1993. During this time she took care of our home, and our two children from when they were just babies. She was an amazing person in so many ways, and she loved our children and our family as if we were her own. At the same time, she always talked about Wayne, Christina and John, and then Katie and Roy with great affection. We will always remember Emma for the loving care, time and patience she had every single day for our small children. She loved to read to them, supervised their homework, prepared thie meals and played with them with endless laughter and giggles. Emma and Leroy will forever be remembered in our hearts - we have always treasured them - we will alway love them, and are thankful that they were a part of our family for a long time.
