“ *Mr. Hill,  
You are in my prayers!! My son, Rob Traylor, wrestled with Eric in Middle school and High school. We both knew Eric as a special young man. His life and example will live on in all who knew him. I pray God will give you peace.

“ We will always remember Eric, how sweet and kind he was. What a perfect example of a young Christian man. What an impact he had on our family, we have since moved away here in Louisville Ky. and just the other day, we was saying how true and faithful that he always stayed in church. (We went to Victory for many yrs) and watched Eric grow spiritually. And I was Eric's bus driver (Mrs. White) So not only did we go to church with him but he was my student. We love you Eric! To the family, you will always be in our prayers! ##imported-begin## Chuck and Rhonda White ##imported-end##

“ To: Mark, Mary, and Alex,  
My heart was broken to receive our church prayer list with Eric's name on it. You may not remember me, but I was Mrs. Remillard who taught both Eric and Alex at Loganville Primary years ago when they were in 1st and 2nd grades. (Baby Laura had just passed away when I had Alex.) The video brought back great memories of Eric at a young age, especially his huge grin and his tan complexion and locks of curly hair. What a handsome young man, even in 2nd grade! More than that, it pleased me so much to see in the video how faithful he was in his Christian walk. We have to hold on to the belief that God has a set purpose for Eric's life, whether it be as an earthly child or as a heavenly angel. Please know that I am praying that each of you and your entire family will feel the Lord's gentle healing as time goes by. May our Lord and Savior grant you comfort and peace and an abundance of loving memories of Eric, the precious one you called son and brother, and I called my sweet, young friend.

Fondly,

Mrs. Susan (Remillard) Bishop ##imported-begin## Mrs. Susan (Remillard) Bishop ##imported-end##

“ I was so fortunate to know you. Thank you for the rides home, and to the middle school for practice. You were always a joy to have around. Every bus ride to a tournament you would always have your gameboy. You loved Mario. lol. And I also remember when you couldnt figure out Kristens phone, and you almost broke it trying to open it. lol  
I'll see you one day.... I love you and miss you very much!!!
