“ *Stephanie, My memories of Uncle Eric are of his funny demeanor, his strong opinion (now I know where I got that from) and his wanting to always make sure he stayed in touch with with us (his brother's family) and visit on a regular basis. He was always welcome and we have fond memories of him. Eric was my only real uncle that I saw on a regular basis. I will miss him. Now my father and his brother are together forever in eternal peace. I wish them both much harmony.##imported-begin##Glen Schostak##imported-end##*

“ *Stephanie, I am so sorry to hear about your Dad. He was quite a character and I enjoyed him. I especially remember my visit to you in Germany so many years ago and, of course, your visits to us in Pennsylvania - when you, Aunt Marion, and Uncle Eric would come to visit from "exotic" Florida. It has been a long time since we have spoken. Please email. And now the brothers are together again. I give you my sympathy and wish you God's Peace.
