“ Ernie was a boss, mentor and friend. Whenever I wonder how to treat someone or do something with the greatest sense of honor and manors, I need only ask myself "how would Ernie do it?" There is no doubt he stopped at the gates of heaven to tell St. Peter a joke.##imported-begin##Gary Visser and Dr. Elizabeth Bjornson##imported-end##

“ I met Ernie Arrington in the 70's while involved in the environmental industry. Since that time Ernie and I saw each other at professional associations and most recently at Snellville United Methodist Church. Ernie was an example of southern politeness and courtesy and was always impeccably dressed. His presence always made you feel welcome. I deeply regret hearing of his passing and feel a part of my past has been lost. I pray the family will be comforted in their time of loss.##imported-begin##David Van Landingham##imported-end##
