“ *I will always remember the smell of her pound cake and the way she told stories. I will always miss you Nenny. It has almost been a year and it never occurs to me that you are gone. I hope that you and Pepa are dancing to your wedding song and telling the rest of the family what we did that made you laugh, cry, and smile. I hope to see you when it is my time and I will never stop missing you.*

*Love you forever, Kensey( third great-grandchild)*

“ I love across the street, and I saw them take her away, I cried & waved, her granddaughter that was there every morning at 7, or earlier , met me in the street and we just cried! Forgive me if I'm wrong, but I think it was Kristin , there are so many lovely girls!!

As a baby I grew up with Leon, Ernesteen & Elaine for a while, cramped but God we loved them all!! Elaine & I shared a few early birthday parties, even though I was one year & two days older. Ernesteen made the Best pound cakes!!! Leon sautered all our charms on our bracelets, in his tv shop.....back when they had tubes!

I love you all so!! I already miss her, I'm glad for all my little visits to see her! She welcomed me with a smile every single time. Bye Ernesteen! I'll be seeing you💔
