“ How our hearts are grieved. We loved her dearly--she treated us like her own children, and our children loved her also. She was a true example of a Godly woman. She is now in the presence of the One who she served all of her life. She will be missed, but I know Jesus and Johnny were right there to welcome her in. She is no longer in discomfort but has her new body, free of pain and age. She gives all of us another reason to want to make it to Heaven. Janice & Billy, Joey & Terri, and all you sweet grandschildren and great-grandchildren, our prayers and love are with you during the difficult time of adjusting to living without Big Mama!!!##imported-begin##Terry & Linda Kile##imported-end##
