“ *My condolences to you all - Shirley, Wanda & Donna and your families! I know you loved your Dad very much and that you'll miss him greatly! I'm sorry that we don't see each other much but I am happy that Donna and I are friends on Facebook and that we are able to stay in touch & share our lives and our families - even if only on Social Media! Facebook is my link to the Ledford side of the family and though I don't comment often - I do take the time to read your posts, look at your photos and admire how beautiful your families are! I'm so sorry and my prayer is for strength and peace for you all during this difficult time! Love you guys! Cindy Ledford Middlebrooks.*
