My deepest sympathies and condolences to the Walters family. Rock was a great mentor to me as a young man. He instilled a good work ethic and his love for Jesus Christ was constant.

“ Hey Paw Paw I would say to you contrary to you reminding me a thousand times to call you “Uncle Rock”! I love you and I know that you are near, even when I can’t see you! I know you are smiling in heaven right now and that God is happy to have one of his faithful servants back. Now you can truly live your “American Dream”. We love you!!!!

“ One of the very 1st families that embrace me upon coming to NEW Life ASSEMBLY over 30 years ago. I remember working with bro. Walters cleaning office buildings, he took me to his home and the very first thing that he would do when he got home, was going straight to his prayer chambers and pray. His smile, humor, praise & worship was such a blessing; he was such a faithful man to the house of God and supplying the mission with breads that he would go pick up at various Kroger etc. Heaven smiles...!!!!

“ In the short time I've known Brother Walters he was a true blessing in my life, when I would come to church I would call him (Old Timer) we would talk about the Atlanta Braves and St. Louis Cardinals squaring off, plus he would tell stories, some times he would come up besides me put his arm around me and pray telling me it's going to be alright. When my wife Ramat first met him he would smile and say a little prayer for the both of us. He was a prayer warrior, friend. I admired his praise and worship when he was in church. R.I.P. Brother Walters.

“ To know our Brother Walters is to love him. His smile was contagious. On Sunday morning, if you came early you would find him cleaning the glass doors. He took great pride in keeping the doors clean. He would open the door and greet you with a warm smile and cheerful good morning. He was a perfect gentleman. His Love for God and mankind radiated through him. You could feel his Love. If you asked him how he was doing he would always say 'I'm living the American dream' He surely did live it to the fullest. We will miss you. We are praying for the family may your hearts be comforted by the hand of God.

“ *Bro. Walters always put a smile on my face every single time I would come in contact with him. He was always so up beat and constantly doing something to beautify the House of God. Whether it be cleaning the glass doors, windows, mirrors etc. I told him he was the energizer bunny, because he never stopped working. He was a joy to all who came in contact with him.*

*Walters Family you are in our thoughts and in our prayers.
May God give you the strength that you need during this very difficult time.*

“ I have known this precious man of God since I was a young teen. My parents were very close friends with Bro. Sis Walters. I have had the honor to be able to help them in just a little way also my grandson Jared was with me to put him in his wheelchair to get him to his dr appts. I wouldn't trade being a part of their lives. I loved this wonderful man I always left him with a little kiss on his head he was always so appreciated. You will truly missed my sweet brother I will miss hearing you say preach it preacher. I love this family I will always be here now for his precious wife who he loved so much.
