“ I agree with Regenia. I think Aunt Eula would always want to be remembered for the kind-hearted, sweet person she was with a mischievous sense of humor and always quick with advice. She was definitely a Bean, a terrific cook and will be greatly missed.

“ Aunt Eula had such a fun sense of humor that was so enjoyable to be around. She had a great flair for fashion too. I always enjoyed our talks as was growing up and even on the phone as an adult. She was great at checking on the family members. She was so proud of her sons and her grandchildren. I always loved the stories she would share with me. She was loved very much.
