“ *Having only being married to Chris (grandson of Pop) for just under 4 yrs now, I never had the opportunity to know him as well or as long as I would have liked to. But he was one of the 1st people in Chris' family that I did meet. And I loved him dearly; he was such a wonderful man to be around and he always made me smile. I will hold our last visit with him in my heart forever; he made me laugh the whole time we were there with him. I smile just to remember that visit. I'm so sorry for the loss and send my most sincere condolences to those closest to him.##imported-begin##Felicia (Lisa) Cannady##imported-end##*
