“ Evelyn, I will never ever forget you. You had a way of making everyone feel so special. We met you back in 1980 at the United Methodist Church! Your beauty with that dark hair reminded me so much of Elizabeth Taylor.

Through the years later we wrote every Christmas and promised we would go to lunch. My illnesses kept us from finding the right time. I have all your cards and little trinkets you would send that I cherish.

The world is missing something special now!

Bobby, I can't even imagine what you have been through losing your special amazing wife! I will keep you and the family in my prayers. She loved you all so much!!!

Evelyn I just know I will see you again and we will have that lunch or something even grander!! You

Be in my heart forever because you were that special!

All my love sweet friend!!

“ Evelyn was one of those great ladies that when you first met her you knew that you were in the presence of a special person. Her words and actions inspired you. Our world is a little less like heaven without her. Heaven is a little brighter with her. May God Almighty welcome her home.

“ Bobby, I was so sorry to hear about the passing of Evelyn. If I had known earlier I would certainly have been at the viewing and/or funeral. Evelyn and I go back so many years.

We worked together at Specialty Distributing Company in Atlanta where most all the young ladies in Loganville worked in the 1950"s at one time or the other. Evelyn and I worked together for 3 years and were very close for many years afterwards She was the type of friend that you always knew she would be there for you if you needed her and she was there for me many times. Even though we had not seen each other in the last several years I ALWAYS considered her as one of my best friends in life. She always talked about Sandra which was the only child she had when we worked together I remember when you all got married.....Bobby, ..every time she talked about you she was on cloud nine. I know she will be missed my so many people because she loved her family so much and had so many friends and I feel so blessed to have been one of her friends.

“ I meet Evelyn a few years ago at the American Legion Dance, she made me feel welcomed and special, her smile, hugs and kiss on the cheek was one of the things I loved the most about her. It was very special to me when Evelyn would get out and line dance or with us girls free style, Evelyn always called me her adopted dance daughter and I felt very privileged to have that title. I will miss you dearly Evelyn. Amanda Smith

“ To all Evelyn's family. Twelve years ago I moved back to Loganville after spending my adult life away from Loganville. Evelyn was one of the first persons I reconnected with. Her smile and the love she spread to everyone was amazing. She always made me feel special and I know that everyone who knew her felt the same after talking to or just being in her presence. A more Godly example, I do not know. Feel blessed in your memories. My prayers and thoughts for all your family will continue in the weeks to come.

“ *Jimmy and I would like to send our deepest heartfelt condolences to the Boss family. Our fondest memory of Evelyn was her dancing to one of her favorite songs, "DRINKING CHAMPAGNE" which for about 15 years at the American Legion every Saturday night Jimmy would sing that song for her and Bobby to dance to. She was such a sweet lady and surely will be missed. RIP Evelyn.*

“ *Evelyn was like a Mother to me growing up. She is the sweetest person in the world. I don't think I ever heard her raise her voice. She was actually my Aunt for a while and I have always considered her family. ALan, Sandra, Melanie and Suzanne and I spent a lot of time together growing up. I love them dearly. I know Bobby will be lost for a while. A beautiful family. Praying for you to find peace.*
