What can I say except my thoughts and prayers are with the James family during this difficult time.

Evelyn was like a sister to me. We were neighbors for many years and friends for over 50 years. She was a special person. Family just know that she is with her heavenly father and singing as she did here on earth.

Just remember the good times and fun you shared with her over the years. She loved her family dearly and they were first and foremost in her thoughts and prayers.
