“ *Larry and I worked together at Roadmaster. While talking one day he shared an experience of delivering cars and unloading them. He said it only took once and he knew he didn't want to do that for a living. He was a true professional driver for Roadmaster and an asset to our company. You will be missed.*

“ *So sorry to hear of the passing of a friend, coworker and Brother. I worked with Larry at Roadmaster and am still hear. Even after all the years since his retirement we still mention him fondly and tell stories about the "good ol' days" Larry was a signer on my petition to join the Masonic lodge and I will be forever grateful he did this for me. Rest well my Brother as you lay down the working tools of life.*
