“ Dear Chriswell family,

I worked alongside Everett for almost 10 years a long time ago at the Big Star grocery store at North DeKalb shopping center. I was just barely 15 or 16 year old when we first met and I started working on the stock crew at night.

Everett trained me well and did more than show me how to properly stock shelves. He was a great model of how to be hard-working, honest, and put in a full days work to a young teenager. He was always patient with me, quick with a laugh, and had a twinkle in his eye when he would pull a joke on me. He would let us young guys play our rock and roll music first in those long nights, but, we always ended with his favorite country station on the radio.

And if we finished a little early, we would go to the Waffle House in his precious '57 Chevrolet!

I consider Everett one of the most influential folks I have met. I am so sorry for your loss. Memories of him will be even more precious now.
