“ We express our sincere sympathy to Ann, her family, and close friends. Everett was a wonderful man who supported his family, our country through his Military services  and anyone else he could help. We will pray to give you strength and peace through this most difficult time. Everett was a wonderful man and my best friend through many years. He taught me many things throughout my life. Betty and I have nothing but admiration for him, and he will be remembered in our hearts and memories forever.
Love Bret and Betty and Marissa

“ It is with love and gratitude each time I think about Everett and Ann. They welcomed me as one of their own into their family as Jeni and I navigated the Jr, high and high school years. I was welcomed on trips and for dinners and many other activities with their family. Everett had to remind us not to get “curt” on many occasions and extended us so much kindness and grace as we grew and learned, as did Ann. My love,, thoughts, and prayers to Ann, Jeni and Jeff as they now move forward and negotiate life without Everett all while honoring his memory. ❤️🙏

“ Many memories with EJ and Ann. Going on trips from the west coast to the east coast. EJ was always a delight--he was up and going from 5am to ????. What a good time the 4 of us had. After my husband passed I would fly to Georgia and of course stay with the Pauls. EJ loved that little doxie, Greta. The picture shows how happy they were together. I will miss EJ and how he made me feel special when I visited or when they came to Iowa to visit. EJ loved Ann with all the passion you can imagine--his 2 kids Jeff and Jeni were highlights of his life as well as the grandchildren, Emily, Abby, Thatcher, and Becket. Too his delight were his 3 great grandchildren, Charlie, Kate and Annie. His faith was sincere and his belief in the Heavenly Father was too apparent in everything he did. He left his mark on this world with his wood workings. So many E:J. as I said you will be missed greatly by all who knew you, however I know you are at Peace and you will be a welcomed addition to Heaven. love. Colee

“ EJ was one of the kindest and selfless person I have met. When my mother was able to attend church services, both he and his beloved wife Ann would make it a point to help my mother getting into and//or out of my vehicle. Since my mother has been in hospice, EJ and Ann came to our home to visit with my mother, bring her some of her favorite foods (chocolate and red velvet cake), as well as some flower arrangements. The visits continued even while EJ was dealing with health challenges.

EJ lived by The Word and made a huge impact in our lives.

*Thankfully,

“ E.J. was so welcoming when we joined the church many years ago. We are Midwesterners and instantly bonded. I will miss seeing him at the God & Country service, standing proud to represent his years in the service. He was also a great older mentor to my husband’s men’s group. He had a lot of wisdom and was a very sweet and Godly man.
