“ Dear Bill, Cindy and I want you to know that our hearts ache for you in loosing Evie. She was always such a joy to be around and such a beautiful lady, inside & out. She told me the last time we had a chance to visit at the Atlanta Country Music Award just what a special relationship you both had. She always had your back and let you do the entertaining. Yes, she was special. Now she will still have your back from heaven.

When the Lord calls someone home, he leaves a gift of memories in exchange. Hold on to your memories, and let them guide you through this difficult time. God is always in your corner at a time like this. We love you and appreciate the friendship with you and Evie..
